### Attribution to a registration

This form can only be considered if it can be clearly attributed to a registration. If such an attribution is impossible because you did not register properly or at all, or information on this form is incomplete or illegible, neither the Company's proxy nor any other authorised representative may exercise the voting right.

### Relation to other forms

You can also issue proxies by using the form imprinted in the registration confirmation. The registration confirmation will be sent to you after you have registered properly. By using these forms, it will be ensured that they can be attributed to the registration.

### Notes about this form

Please fill out this form completely and legibly. You can obtain the necessary information about the declaring party from your registration confirmation, which will be sent to you after you have registered properly.

Using this form is not mandatory. You can also use another declaration in text form. For this purpose, the explanations regarding the attribution of the proxy to a registration apply.

### Procedure for voting through proxies

The shareholder may also have their voting right or other rights related to the General Meeting exercised by a proxy. If you wish to authorise a third party, you may do so by using this Form on Proxy Voting or the Proxy Issued to a Third Party on the upper third of the registration confirmation (reverse side). The address below is available for granting proxy vis-a-vis the Company and for transmitting evidence of a proxy issued to the person to be authorized. Before the proxy may participate electronically and exercise shareholder rights via the InvestorPortal of Instone Real Estate Group AG, that proxy must have obtained from the grantor of proxy the access data sent with the registration confirmation. Please expressly advise your authorised representative of this fact.

Please also note the instructions in the convening notice regarding the issuance, change, and revocation of statements by post, by fax, by email, and via the InvestorPortal, and on promptly exercising your voting rights.

Such authorised representatives may not participate in the General Meeting physically. They may exercise the voting right for shareholders they represent merely by way of a postal vote or by issuing a (sub-)authorisation to the voting proxy nominated by the Company.

### Postal vote or proxy / instructions to proxies nominated by the Company

If you have not authorised any third parties, you may either cast a postal vote by using this form or have your voting right exercised by proxies nominated by the Company. You may also use the form imprinted on the registration confirmation to that end.

Please issue instructions for all proposed resolutions. Mark the YES box with a cross to approve the proposed resolution, or mark the NO box to reject the resolution. Marking neither will be deemed an abstention; marking both will be deemed invalid. If individual votes are taken on collected proposed resolutions, your instructions apply respectively to the individual proposed resolutions. If you wish, you may give your signature or insert the information of the declaring party.

Please send any postal votes; authorisations or instructions to the proxies nominated by the Company; or any changes or revocations; on or before **8 June 2020 (midnight at the end of the day CEST)**, to:

**Instone Real Estate Group AG**  
**c/o Computershare Operations Center**  
**80249 Munich**

**Fax: +49 89 30903-74675**

**Email: [instone-hv2020@computershare.de](mailto:instone-hv2020@computershare.de)**

Votes can also be sent electronically using the access-protected InvestorPortal of Instone Real Estate Group AG under <https://ir.en.instone.de/websites/instonereal/English/6000/annual-general-meeting.html>. The latter option will be available until immediately before voting begins in the General Meeting on 9 June 2020.

If discrepant declarations are received through different transmission channels and it is not possible to discern which declaration was made last, these will be considered in the following order: 1. via the internet, 2. by email, 3. by fax and 4. as hardcopy.

The proxies nominated by the Company can exercise your voting rights exclusively by being bound to your instructions. They will not execute any orders beyond that extent. You can view the proposals to be made accessible, and the nominations of shareholders (counter-proposals), on the Company's website under "Investor Relations" or "Annual General Meeting".

You can support a counter-proposal that is geared exclusively at rejecting a proposed resolution by voting against the administrative proposal. It is not possible to vote on further proposals, such as substantive counter-proposals or procedural proposals by way of proxy authority/instructions to the company's independent proxies.
