- 4.2. The share capital is divided into forty-six Million nine hundred eighty-eight thousand and three hundred thirty-six (46,988,336.00) no-par value shares. Each no-par value share represents a calculated share of the share capital in the amount of one euro (EUR 1.00).

#### § 5

#### Share Certificates

The shareholders' right to individual share certificates representing their respective shares shall be excluded to the extent legally permitted and unless such certification is required in accordance with regulations applicable at a stock exchange to which the shares are admitted.
- 5.3. The form and content of the share certificates as well as of any profit share and renewal coupons (*Gewinnanteils- und Erneuerungsscheine*) shall be decided by the Management Board with the consent of the Supervisory Board. This shall also apply to bonds and notes (*Schuldverschreibungen und Schuldscheine*).
- 5.4. In the case of a capital increase, the profit sharing of the new shares can be determined in deviation from sec. 60 para. 2 sent. 3 of the German Stock Corporation Act (*Aktiengesetz*).
